

Graphing – 1.15

Line graphs are another good way to show change over time.

It has been a COLD winter! Draw a dot to represent the lowest temperature recorded each day shown in the chart. Then connect those dots with a ruler.

Jan 1st: -2°

Jan 4th: -8°

Jan 7th: -4°

Jan 10th: -5°

Jan 2nd: -6°

Jan 5th: -7°

Jan 8th: 1°

Jan 11th: -7°

Jan 3rd: -8°

Jan 6th: -1°

Jan 9th: 2°

Jan 12th: -8°

Lowest Recorded Temperatures
