

# Graphing – 1.7

Make a bar graph using the information in the story.

The owner of a t-shirt shop was looking at his sales records last month. More t-shirts sold on some days of the week than on others.

Sundays — 14 shirts  
Mondays — 17 shirts  
Tuesdays — 18 shirts  
Wednesdays — 12 shirts

Thursdays — 22 shirts  
Fridays — 39 shirts  
Saturdays — 48 shirts
