

# Learning To Divide – 1.16

Create diagrams to help you find the answers to these division questions.  
Then use the inverse operation to check your work.

1)  $116 \div 6 =$

The inverse operation: \_\_\_\_\_

2)  $89 \div 12 =$

The inverse operation: \_\_\_\_\_

3)  $130 \div 4 =$

The inverse operation: \_\_\_\_\_
