

The image features a stylized, thick black cursive letter 'a' centered horizontally. The background is divided into three horizontal bands: a light blue top band, a light green middle band, and a light brown bottom band. A dashed horizontal line separates the blue and green bands, and the letter 'a' is positioned such that its top curve is just below this dashed line. The letter is composed of a single continuous stroke that starts with a tail on the left, forms a loop, and ends with a tail on the right.
