

The Times Tables — 1.5

Multiplying is a lot like adding. 3×2 is the same as $2 + 2 + 2$.

1. $3 \times 0 = \square$

9. $5 \times 1 = \square$

2. $1 \times 2 = \square$

10. $1 \times 11 = \square \square$

3. $1 \times 8 = \square$

11. $2 \times 1 = \square$

4. $1 \times 12 = \square \square$

12. $1 \times 7 = \square$

5. $11 \times 1 = \square \square$

13. $1 \times 6 = \square$

6. $7 \times 0 = \square$

14. $0 \times 4 = \square$

7. $1 \times 5 = \square$

15. $12 \times 1 = \square \square$

8. $6 \times 1 = \square$

16. $9 \times 1 = \square$
