

The Times Tables — 3.2

Start at ZERO when you are skip counting to find the answers.

1. $3 \times 2 = \square$

2. $2 \times 9 = \square\square$

3. $3 \times 4 = \square\square$

4. $5 \times 3 = \square\square$

5. $3 \times 5 = \square\square$

6. $5 \times 6 = \square\square$

7. $3 \times 0 = \square$

8. $2 \times 7 = \square\square$

9. $1 \times 9 = \square$

10. $10 \times 4 = \square\square$

11. $10 \times 10 = \square\square\square$

12. $3 \times 3 = \square$

13. $2 \times 4 = \square$

14. $5 \times 8 = \square\square$

15. $3 \times 8 = \square\square$

16. $2 \times 2 = \square$

17. $5 \times 10 = \square\square$

18. $3 \times 7 = \square\square$

19. $3 \times 10 = \square\square$

20. $10 \times 7 = \square\square$
